Yes, it is that time of the year when Chilimania will light up the town of Edgerton and that also signals the beginning of another church year.

Rally Day is an exciting time in the life of our church as we welcome the children and confirmation class back to a time of education about the love and grace of our God. Please register your children for Sunday School and Confirmation so that the teachers can prepare their lessons and crafts. You can register them by contacting the church office via

e-mail ([edgcong@yahoo.com](mailto:edgcong@yahoo.com)) or by phone at 608-884-6514.

As a member of the HHU – Hospice team, our volunteers are part of an integrated and specialized support system that provides meaningful end-of-life care.

Volunteers can choose to work directly or indirectly with patients and their families.

### Opportunities include:

Patient Support

Clerical/Administrative Assistance

Grief/Bereavement Support

Fundraising/Special Event Planning

Volunteering times are flexible and free, Comprehensive training is provided; no medical experience necessary.

We hope you will pass this opportunity on to your congregation members. To learn more please contact the Volunteer Coordinator at 608-276-7582 or email [JSchrandt@hhuvns.org](mailto:JSchrandt@hhuvns.org).

## HABITAT FOR HUMANITY OF ROCK AND JEFFERSON COUNTIES

### *Janesville ReStore Needs Your Help*

Habitat receives calls every month from parents and churches looking for projects where high school age youth can donate their time. Because of age limitations on our build sites those opportunities are restricted. Do you lead a high school aged church group? Are you looking for a non-profit that could use your help for three to four hours a week?

Habitat has a project that any church youth group can sign up for with minimal commitment. Groups of any size as well as individuals can be accommodated.

This fall the Janesville ReStore will be reorganizing the shelves and moving the building supplies to the back of its warehouse space. We need your help with this project.

Habitat is looking for strong able bodied volunteers or church groups willing to work on Wednesday mornings, Saturdays, or for three hours on Sunday afternoons. Volunteers can work each week, once a month, or only one

time. Habitat is flexible and many hands make for light work.

The work is dirty, requires lifting, organizing, and some sign making. Have a group of friends you like to work with? Need to get out of the house and feel like you are contributing to the community? This project is right for you.

Help recycle used plumbing parts, organize flooring and mill work for a couple of hours each week or each month. You will make a big difference in this community and for Habitat.

Youth group leaders and other interested volunteers should call the Janesville Habitat office at 608-754-1228. The office is open Mondays, Tuesdays, and Thursdays from 9 a.m. to 1 p.m. Your help will make a difference! Please Volunteer Today!
