Home Health United

Home Health United is seeking volunteers for its hospice program in Dane and Rock Counties. Hospice is a concept of care provided to the terminally ill that treats the whole person: body, mind and soul.

Volunteers help those on a hospice journey live every moment fully and intentionally.

As a member of the HHU – Hospice team, our volunteers are part of an integrated and specialized support system that provides meaningful end-of-life care.

Volunteers can choose to work directly or indirectly with patients and their families.

Opportunities include:

Patient Support

Clerical/Administrative Assistance

Grief/Bereavement Support

Fundraising/Special Event Planning

Volunteering times are flexible and free, Comprehensive training is provided; no medical experience necessary.

We hope you will pass this opportunity on to your congregation members. To learn more please contact the Volunteer Coordinator at 608-276-7582 or email [JSchrandt@bhuvns.org](mailto:JSchrandt@bhuvns.org).
