ARE YOU THINKING ABOUT BECOMING A MEMBER OF ECUCC?

Great! Awesome! Welcome!

Attending church regularly is a wonderful community building exercise for our soul. Becoming a member and taking the vow to help guide the church body through the thickets of life and the joys of ministry is a huge and necessary step.

The truth is that the church body is the life; the physical hands and feet of Christ in ministry while we recognize Jesus of Nazareth as the head of our church in God. The church cannot survive; minister; and heal others without the building of the church body from within.

And that is why church membership is important. It will allow you to make the vow to support this church body; and it will allow this church body to publicly vow to support you in its ministry. Will you join us in the partnership of ministry?

There are two classes that are required for membership at ECUCC.

1st Class will be held on Sunday, January 12th immediately following the 10:30am worship hour. The class is called "What Is The U.C.C.?" In this class we will look at the wider Christian Denomination of the United Church of Christ and learn about its extraordinary root system. Class will last about 1 hour, taught by Rev. Lora.

2nd Class will be held on Sunday, January 19th immediately following the 10:30am worship hour. The class is called "Who is Edgerton Congregational U.C.C.?" In this class we will learn about our particular church and its history within the greater body of Edgerton and the state of Wisconsin. Class will last about 1 hour, taught by Rev. Lora.

Those who have attended both classes and wish then to become members of Edgerton Congregational U.C.C. will be invited to become full fledged members during the worship hour on Sunday, January 26th at 10:30am.

There is no need to register for these classes...just show up...I'll be there. ☺ Rev. Lora
