## **Home Health United Programs Offered**

Home Health United has community grief support groups and hospice volunteer trainings upcoming in the Janesville area.

Grief continues well after loss occurs and each individual experiences it in unique ways. It is not uncommon for grief to come in intense waves, especially within the first year. Many find it helpful to talk with others going through similar experiences. To support you during this time, Home Health United is offering "When Mourning Dawns" grief support groups to anyone in the community who has experienced a loss. The groups are offered at no cost to participants.

The "When Mourning Dawns" grief support groups take place on Thursdays, January 23-February 26, from 3-5pm at St. Mary's Janesville Hospital (3400 E. Racine Street). This grief support explores the various "seasons" of grief. Pre-registration is required, and a minimum number must be registered for the group to take place.

Due to increasing demand, HHU – Hospice has a continued need for volunteers in all communities in Rock County. Volunteers are needed in both administrative and patient-interactive areas. Upcoming training sessions include Wednesday, February 26<sup>th</sup> from 8:30am-4:30pm at Home Health United – Janesville (3700 E. Racine Street).

For more information or to register for grief support groups or volunteer training, please contact Home Health United – Hospice at 877-356-4514.

Home Health United – Hospice provides the care and support needed so patients faced with the end-of-life can spend their final days as comfortable as possible, wherever they call home. Have questions about Home Health United – Hospice or hospice in general? Call 877-356-4514 or visit [www.HomeHealthUnited.org](http://www.HomeHealthUnited.org).

### **Light Christian Humor**

**A young boy had just gotten his driving permit. He asked his father who was a minister, if they could discuss the use of the car. His father took him to his study and said to him, "I'll make a deal with you. You bring your grades up, study your**

bible a little and get your hair cut and we'll talk about it." After about a month the boy came back and again asked his father if they could discuss use of the car. They again went to the father's study where his father said, "Son, I've been real proud of you. You have brought your grades up, you've studied your bible diligently, but you didn't get your hair cut." The young man waited a moment and replied, "You know Dad, I've been thinking about that. You know, Samson had long hair, Moses had long hair, Noah had long hair, and even Jesus had long hair!", to which is father replied, "Yes, you're right, and they also WALKED everywhere they went!"
