THANK YOU...

To Mr. Everett Scarborough who in loving memory of his son, Mark W. Scarborough, purchased two air purifiers for the church. One purifier is located in our sanctuary space and the other is located in the fellowship hall. We are truly a blessed people.

HOLLY, BETTY AND AL ARE MEMBERS OF OTHER CHURCHES WHO HELP ANY CHURCH WHEN NEEDED.

YOU ARE ALL VERY APPRECIATED.

Thanks again to the volunteers who helped wash and dry the organ pipes these past weeks.

It is an amazing process. Hair dryers are a very versatile tool. Scheduled two days at the fire station this past week and it only took one day to wash the larger organ pipes

That is because of excellent help.

Also thank you to those who built the boxes to store the organ pipes during this project.

Very important to protect the pipes as they are being worked on. Impressive.
Good progress is being made on the organ's overhaul.
