Pastor's Notes

It is June and we are still worshipping through Facebook Live, on Youtube, or through the weekly Bible studies we send out from the office. We recognize that this is not business as usual and we wonder about the future. Some congregations may start worshipping with twenty-five per cent of members allowed in the sanctuary. Other safety protocols must be followed including good cross ventilation. People over the age of sixty are not yet encouraged to attend worship. Given the recommendations, we will continue with Facebook Live, Youtube, and written Bible studies and try out different ways of gathering first.

Please welcome Rev. Phil Haslinger to Facebook Live on Sunday, June 7th. He was scheduled to preach back in April but we rescheduled due to the "Safer at Home" directive. Phil always brings a unique perspective and is always in demand when pulpit supply is needed.

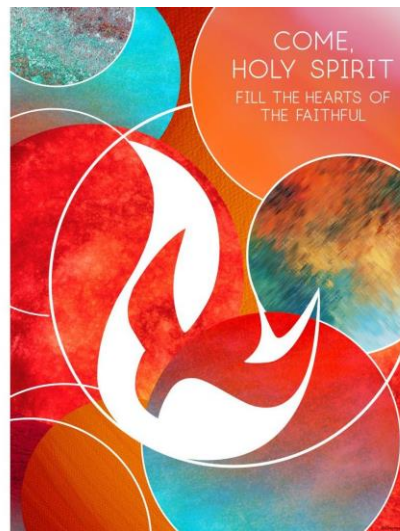

On Thursday, June 18th we will have Family Bingo Night in the parking lot. We have room in the parking lot for ten tables. There will be one family group at each table. If you live alone and can partner with someone else, you can sit at opposite ends of the table and be a table group! Bingo will begin at 7:00. Go directly to your assigned table. Supplies will be

packaged a week ahead of time and disinfected. Bingo will go for forty-five minutes and prizes will be awarded! The bathroom will be available for emergency purposes but plan ahead. Just trying to keep everyone safe!

June is Pride Month. We celebrate being an Open and Affirming Congregation and an inclusive welcome to all people.

Blessings to you!
Pastor Lori

Pentecost, the church's birthday, is a time to reflect on what "the church" is. In an age of distance and fear, it is important to remember the essence of Pentecost: togetherness. We can connect even when we are apart by all wearing red or bringing a candle to this Sunday's Facebook LIVE worship.

UCC Face Masks are Available!

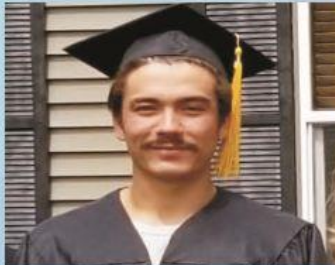

We may have to wear masks, but we don't have to hide who we are. Be the church as we pray for rapid resolution to the pandemic and the safety of family, friends, and those on the front lines. Masks are constructed of two layers of lightweight moisture-wicking polyester fabric with elastic ear loops and a pocket for a removable filter (not included) to keep yourself as safe as possible from the virus. We will be putting a group order in; please email or call the office if you would like us to get one for you! (Please specify "blessing", "love", or "peace" design.) \$8.99 a piece with all proceeds going to the UCC.

Edgerton Congregational United Church of Christ would like to celebrate all of the 2020 graduates.

In particular we congratulate Seth Wiersma and David Kim on graduating from college. We congratulate Micah Boyd, Mimi Thompson and Logan Campbell on graduating from high school.
