### Pastor's Corner June 2021

We celebrated Pentecost two weeks ago but the season of Pentecost continues. The stories we read together in worship are stories of the new church, following the first Pentecost becoming... becoming a church that would continually be transformed for the next two thousand years. We are also still becoming. The Spirit is upon each one of us to join together as we are able.

**In Romans 8:26 we read, “The Spirit helps us for we do not know how to pray but that very Spirit intercedes with sighs too deep for words. God, who searches the heart, knows what is the mind of the Spirit, because the Spirit intercedes for all the saints”.**

We are still in liminal space, we have not made plans beyond opening the doors to the sanctuary. But we trust the spirit is upon us and when words seem inadequate, the spirit guides us and holds us together. I invite you this month to pray for your own spiritual journey and to pay attention to the spirit. Are you being invited into stillness? Are you being called to service? Pray the spirit is also made known to the church as we discern together our next steps.

This Spirit is upon you!  
Pastor Lori

**Note:** From June 21st - 25th Pastor Lori will be attending a week long continuing education event through the Lombard Mennonite Peace Center on Conflict Transformation for Churches. She will be available by text, email, and phone but not in the church office.
